**AT GSR HOSPITAL
HYDERABAD**

Foundation for Children in Need is very pleased to share that our efforts to help the children born with Free Cleft Lip and Cleft Palate surgeries has won the admiration of one and all.

We have been doing these surgeries every month at GSR Hospital, Hyderabad. We are grateful to Dr. Gosla and his staff for their wonderful work they do to help the poor children. With the life changing surgeries. In the past 9 years FCN has helped 2000 children and adults with the life changing surgeries. Some of the children and their parents travel 10 to 15 hours by bus or train from different places of the States of Andhra Pradesh and Telangana. All of them are very grateful to FCN for coordinating these surgeries.

FCN staff members receive a phone call and they guide and direct the parents when and where to come. FCN will follow up before and after the surgeries.

We sincerely thank all those who have supported in this noble endeavour.
